16:11:01 From Michelle Linford, EPIK Deliberate Digital to Everyone:

Yes! Media Literacy is so essential!

16:11:41 From Michelle Linford, EPIK Deliberate Digital to Everyone:

Is there a way to get teachers trained on Media Literacy in their college/university training before they get into the classroom?

16:11:44 From Discovery Family Coalition to Everyone:

We would LOVE to help facilitate this with our School2Home Connections and the Discovery Family Adventures! We have some, but we would love to incorporate more.

16:12:55 From Alexis Salt Lake (She; Eastern Shoshone & Goshute Land) to Everyone:

Michelle, I know that Weber State has a strong focus on media literacy as one of its campus wide learning outcomes.

16:14:06 From Michelle Linford, EPIK Deliberate Digital to Everyone:

Alexis, that is good to hear. Do they train the trainers, as it were, so teachers leave the school knowing how to fold in Media Literacy in their teaching? Is there someone you can connect me with to learn more? I'm part of a national Media Literacy coalition and would love to update them on this.

16:14:25 From Discovery Family Coalition to Everyone:

Dan is a champion in many, MANY ways! He has been strengthening Cache Valley families for YEARS in the schools. Glad to have him representing us at the legislature now!

16:28:46 From Elizabeth Weight to Everyone:

In discussion with teachers participating in the Huntsman Seminars, secondary teachers commented on the tremendous value and benefit from a strong civics background in elementary grades. I'm so impressed with the revision process and what will be coming in the new standards.

16:29:36 From Dan Johnson to Everyone:

I am so thankful for teachers and all they do to make a difference in the lives of others. Please help me with my bill and make sure our pilot accomplishes what needs to be done. Let's help students, parents, and teachers with civic and character education and make Utah have the best programs in our nation.

16:29:58 From sherrypeterson to Judith Hilman, she/hers(Direct Message):
